Block 2 / Section 21 Denman Prospect

We know what its like, the extended family are always on your doorstep and you don't want them to stay anywhere but with you. And that's not easy, usually the bedrooms are tight and there are never enough bathrooms. Well this home is the answer.

Perfectly designed to provide generous living space and a brilliant alfresco you know this home is going to be great for family gatherings, but it's the bedrooms and bathrooms that you will come to appreciate most. Four large bedrooms and two have ensuites, plus the layout allows everyone to have space and privacy.

There is even a quiet space upstairs to retreat to, and the allocation of rooms can change as the family matures to allow them more space and study time.

With a full contemporary façade and wonderful colour scheme, this is ready for your family to just secure and not have to worry about any of the build process.
